SUBJECT: EDD/CDSS JOINT PUBLICATIONS

The purpose of this information bulletin is to announce a new header for the Employment Development Department (EDD) and the California Department of Social Services (CDSS) joint publications. Administration of the Welfare-to-Work Grant program in California requires a coordinated effort between EDD and CDSS. In particular, the two departments must work closely to disseminate information and State policy in some areas. To address this need, EDD and CDSS have developed a new header for joint publications. The joint headers will be used in selected instances where the departments' program activities and requirements are inextricably linked, such as eligibility determinations and referrals. The joint publications will use a unique header, but retain both the EDD document numbering system for information bulletins and directives and the CDSS numbering system for All-County Information Notices and All-County Letters (see examples below).

 CDSS	WELFARE-TO-WORK HEALTH AND HUMAN SERVICES AGENCY	 EDD Employment Development Department State of California
ALL-COUNTY LETTER Number: XX-XX		DIRECTIVE Number: WDXX-X Date: _____
 CDSS	WELFARE-TO-WORK HEALTH AND HUMAN SERVICES AGENCY	 EDD Employment Development Department State of California
ALL-COUNTY INFORMATION NOTICE Number: I-XX-XX		INFORMATION BULLETIN Number: WBXX-X Date: _____

The EDD and CDSS will store the joint documents on their respective Web sites at the following locations:
